No Insurance?

BCHC is here to help! The BCHC Urgent Care clinic is hosting a quick care service program for the uninsured who need to see a doctor for minor illnesses. The uninsured patient will only have to pay **\$55** to see the doctor. BCHC understands the situation for many people in the area and we are trying to provide a community service at a very fair price.

In addition, we are offering a self-pay program for MRI patients for **\$450**. To schedule an MRI, please call (239) 949-6112.

Not Seeing Clearly?

Dr. Alina Stanciu will be hosting a cataract seminar on:

Wednesday, January 19th 2011

5:00pm to 7:00pm

Suite 2210 - Advance Eye Care and Laser Center

Please call (239) 949-2020 for a reservation.

On the Web!

You can link directly to the physicians websites for their information. Are you on FaceBook? Please become a “fan” of Bonita Community Health Center and get helpful tips for everyday good health and be the first to know up-to-date information and promotions.

Upgrades designed to better care for you!!

BCHC is *your* community health center! As a non-profit corporation, income generated by the health center is used for improvements in equipment and facilities. Within the last few months, BCHC has added a new 16 slice CT Scan and high field MRI, converted its endoscopy suites to digital technology and added three additional treatment rooms in its urgent care center.
