Dear Estero Development Report Reader:

With your support and that of many others in Southwest Florida, Estero will be home to the region's first not-for-profit professional regional theater, Gulfshore Playhouse.

Kristen Coury, Producing Artistic Director for the playhouse, plans to locate Gulfshore Playhouse on the northwest corner of US 41 and Corkscrew Road due to the generosity of the D'Jamoos Group, who has donated land for the Theater as part of their mixed-use, 85 acre development plan at that location, called Estero on the River.

In order for this facility to better serve the needs and interests of Estero and Southwest Florida, Kristen has asked the Council of Community Leaders to help circulate the attached questionnaire. Please take a few minutes to complete it and email it back to Kristen at KCoury@gulfshoreplayhouse.org.

In order to expand its base of supporters Gulfshore Playhouse sponsors several events each year with outstanding nationally know performers. Suzie and I have attended several of them and they are outstanding. The next such event is "An Evening with Anna Maria Alberghetti" scheduled for Friday, April 7th. Please look over the attached information on this event and call Kristen for more information or for reservations at (239) 398-3143. For more information about Gulfshore Playhouse see their website at www.gulfshoreplayhouse.org.

Thanks for your consideration and help.

Sincerely,

Don Eslick
Chairman, Estero Council of Community Leaders
