

Estero Community Improvement Foundation
Post Office Box 424
Estero, Florida 33928

October 9, 2007

Dear Community Leader:

Sun Trust Bank has generously agreed to contribute \$100 to the Estero Community Improvement Foundation (ECIF) of the Estero Council of Community Leaders (ECCL) for every Esteroan who opens a personal or business checking account prior to the end of 2007. There is no charge for setting up the account, no minimum balance, free on-line banking service and your first 150 checks are free. In addition you will be eligible for a free Sun Trust Visa Check Card. The first use of the Check Card confirms the account and triggers the donation to the ECIF.

To sign up and designate the \$100 to ECIF for the High School Landscaping Project just call Beth VanLandschoot at 437-5210. Beth will help you set up an account and allocate your contribution to the ECIF.

Alternatively you may go to the following website:

<http://www.guidestar.org/pgShowGsReport.do?partner=suntrust&npold=100797621> and call 800-485-8982 and then click the "Donate Now" button and complete the registration form.

The ECIF has thus far raised about \$17,000 toward landscaping the perimeter of Estero High School at the corner of Williams and River Ranch Roads. Your support will help us to begin the first phase in 2008.

Thanks for your help.

Dan Dronkers
