**Public Informational Session Summary and Design Review Comments**  
Estero Design Review Committee Meeting of December 13, 2006  
Location: The Estero Recreation Center

Dear Applicant and County Staff:

The above referenced project was presented to EDRC on December 13, 2006.  
. The EDRC **does not** recommend the approval of the Development Order. A Development Order letter was previously issued approving a June 2006 submittal with an understanding from the Applicant that he would make the changes noted at the June 2006 meeting and resubmit elevations reflecting these changes. The Applicant has not made the changes agreed to and it appears to the EDRC Committee that he has no intention of doing so.

The presenter was asked to return to the Owner and inform him that we can not recommend this project for approval by the County.

Sincerely,

Thomas J. O'Dea  
Co-Chairman, Estero Design Review Committee
