ECOSanibel (Earth Charter)

Donna Roberts (239) 472-8998

Email donnaroberts@zebis.com

<http://www.earthcharter.org/>

The Earth Charter is a declaration of fundamental principles for building a just, sustainable, and peaceful global society in the 21st century. It seeks to inspire in all peoples a new sense of global interdependence and shared responsibility for the well being of the human family and the larger living world. It is an expression of hope and a call to help create a global partnership at a critical juncture in history.

ECOSWF Environmental Confederation of South West Florida

CONTACT: Becky Ayeach

1-941-322-2164

P.O. Box 366457

Bonita Springs, Florida 34136

Was organized in 1969 as a five county coalition to protect conservation interests in SW FL.

EPEC Environmental and Peace Education Center

P.O. Box 1028

Lehigh Acres, Florida 33970-1028

epec2@earthlink.net

(239) 369-1897 or 433-0503

<http://epec.org>

For almost 20 years The Environmental & Peace Education Center has maintained the only walk-in environmental and peace advocacy office in Southwest Florida between Sarasota and Naples. The office is located in Fort Myers, Florida.

EPEC provides resources in the form of office and meeting space for such initiatives as the Conflict Resolution Task Force and a variety of ad hoc efforts to promote the shared concerns of fellow activists in the area.

Estero Bay Buddies

Heather Stafford

700 -1 Fisherman's Wharf
Fort Myers Beach, Florida
33931
239 463 3240

The mission of the Estero Bay Buddies (BBB), a citizen support organization for Estero Bay aquatic and state buffer preserves, is to support and further the protection, conservation, restoration, management, and the enhancement of the natural and cultural resources of the coastal and aquatic ecosystems of Estero Bay estuary, and the watershed for the enjoyment and appreciation of current and future generations.

Estero Bay & State Buffer Preserves

Erin Maehl (239) 463-3240

Estero Community Planning Panel
Neal Noethlich 239-495-6698
NEN13@aol.com

ECPP was established for the primary purposes of (a) creating an overall Estero Vision Statement and Community Plan amendment to the Lee County Comprehensive Plan (LEE PLAN), (b) preparing related Land Development Code (LDC) amendments, (c) potentially preparing a Future Land Use Map (FLUM) revision, and (d) consulting with Developers and County Staff regarding proposed Developments within the Estero Community Planning Area.

ECPP solicits input from local Citizens, Landowners, the Development Community, The Lee County Department of Community Development, The Land Development Code Advisory Committee, The Executive Regulatory Oversight Committee, The Local Planning Agency, the Land Development Code Advisory Committee, The Florida Department of Community Affairs, and other Boards and Planning Agencies. It has conducted seven public planning workshops, conducted 33 (as of 09/08/03) public Panel Meetings, and distributed questionnaires. Input received is subsequently synthesized into proposed amendment(s) and submitted to Lee County DCD staff for their review and shepherding through their development reviews and the amendment process.

Estero Concerned Citizens Organization ECCO

Don Eslick 239-9494050 or Neal Noethlich 239-495-6698

ECCO is an ad hoc organization of Estero Community citizen leaders and Estero organizational leaders. We deal with a broad range of issues, which affect the Estero Area, either directly or indirectly. These include, but are not limited to, transportation, Parks, DRI's and other major developments, community landscaping, etc.

A not-for-profit advocacy and support organization dedicated to preserving, protecting and promoting the Slough for future generations through education and community partnerships.

We organized to assist the Six Mile staff and volunteers in the educational efforts at the

Preserve and to support the development and operation of an Interpretive Center there.

Our Board of Directors meetings are held on the second Friday of the month at the Community Meeting Room in the Robb and Stucky Furniture Showroom on Cleveland Avenue at 10:15 a.m.

Imperial River Nature Preserve
Lori Glen 239-992-1565
RosesPlus@comcast.net

Mission to save the land next to the Bonita Boat Ramp on US41. This area will be a 29 acre park with paths (handicap access). The park will include the DOT retention pond, plant identification sites and will include the Boat Ramp.

Interconnections:

Southwest Florida Coalition for Progressive Television.

A 60 Min. Weekly TV Program starting summer 2005 on Comcast's Local Origination Channel, CN80.

Program content will include peace, environmental, social justice, cultural, health and economic issues. In addition to interviews with a diverse spectrum of guest, Interconnections will cover organization and government meetings, will feature a calendar of events, local public opinion, presentations, discussions, commentary and book reviews. The program will also highlight Southwest Florida's beautiful parks and natural areas.

Goals:

To inform viewers about important issues.

To provide a public forum for Progressive voices.

To motivate people to work for change.
